MEN TALK TO STUDENTS

Football play impresses Confidence in Team Ability to Win Saturday

The Regular Weekly Sing Arouses Great Enthusiasm

The weekly mass meeting and sing was held in Kent at 10:30 this morning. The crowd was given the rare treat of a personal introduction to a number of the members of the football team, coupled with a short, enthusiastic speech from each one. This innovation seemed to please the crowd very well, and the mass meeting committee promises to introduce the other members of the team to us at subsequent meetings.

During the season very many of the students have gone to a great deal of trouble trying to get the football men picked out, but with poor success in most cases. The women of the University, especially, who never see many of the players except in games, are really in the dark as to the identity of the men on the field.

The personal introductions were alternated with football songs under the leadership of Ernie Miller, and the usual amusing interruptions from the chorus in the upper gallery.

The speeches from the men were very encouraging, brief and to the point. Their talks follow:

Speik.—We're going to beat Northwestern.

Perkins.—We will square old scores tomorrow.

Farr.—The team is of the proper stuff and I feel it an honor to be on the same team with such men.

L. Maxwell.—We are going to rip 'em up. I have several friends up there whom I want to show that we know how to play the game.

Wightman.—We will show Northwestern that we are not scrubs if we are freshmen.

The meeting ended with "A Hot Time," three times three for Jimmy, and a Chicago yell.

GOLF TEAM CHOSEN YESTERDAY

Competitive Trials Finished and Men Who Are to Meet Michigan Selected

The competition for the golf team, which is to play Michigan on the 24th and 25th, was ended yesterday by the playing off of the final 18-hole round. The tournament was for 36 holes, only medal-play score being counted. The play yesterday was much hampered by the chilly weather and the strong wind; as a result no phenomenal scores were made, a marked decrease being apparent as compared to the play of the preceding day.

The five men who made the best total scores, and who will, therefore, constitute the team, are: Fred Pettit, total 172; Ashley C. Dixon, 174; H. J. Sloan, 190; Wayland Magee, 191; M. C. Craig, 194.

The complete record of the scores is as follows:

	First.	Second.	Total.
Fred Pettit.....	81	91	172
A. C. Dixon.....	84	90	174
H. J. Sloan.....	93	97	190
Wayland Magee	92	99	191
M. C. Craig.....	100	94	194
B. Pettit	102	93	195
L. Carroll.....	101	98	199
S. R. Tapps, Jr.....	99	101	200
H. Hubbard.....	102	99	201
N. Buck.....	100	101	201
J. Johnson.....	110	106	216
F. W. Pardee.....	110

FALL TRACK TRYOUT

There will be an informal track meet and tryout next week, or possibly the week after. This is for new men only.

PROF. STARR AT UNIVERSITY

On Flying Trip from Central Mexico to New York, Where He Will Make an Address

Professor F. A. Starr has just returned from Mexico, and was at the University this morning, where he had an interview with President Harper. Professor Starr is making a flying trip from Central Mexico to New York to attend the meeting of the Congress of Americanists to be held from the 20th to the 25th of this month.

Duke Laubat, of France, a patron of research in Mexico, will preside. Professor Starr will read a paper entitled "A Series of Portraits of Types of Southern Mexico." The meeting will be attended by noted scientists from Europe and South America and other parts of the globe.

This Congress closed, Professor Starr will go directly back to Mexico to finish his work there. He will say nothing of his researches until they are finished.

Professor Starr will be back to attend to his regular work at the University by the beginning of next quarter.

RECEPTION TO FRESHMEN

Delightful Affair to Be Given in Cobb Chapel Saturday Evening Under the Auspices of Y. M. C. A. and W. S. C. L.

Last June committees of upper-class men and women met to formulate plans for a welcome to be given to the incoming class of this October. On Saturday evening, October 18, at 8 o'clock, these plans will culminate in a reception, which is expected to be sufficiently comprehensive and successful to take a proper place in our college life. At most large colleges and universities this welcome, under the auspices of the Christian Association, is the chief event in the student activities.

Not only students, but prominent members of the faculty have lent their aid in making such an affair possible here. More than eight hundred invitations have been sent out for the reception Saturday evening. It will be held in Cobb Chapel.

The receiving line will consist of President and Mrs. Harper, Dean and Mrs. Judson, Professor and Mrs. Coulter, Dean Smith, the president of the W. S. C. L., Miss Narcissa Cox, and the president of the Y. M. C. A., Mr. Scott.

The young ladies who will assist at the tea tables are Misses Josephine Lockner, Irene Allyn, Bustal, Griffin, Mills, Emma Dollinger, Ethel Freeman, Julia Hobbs, Elizabeth Munger, Frida Kirchoff, Elizabeth Calhoun, Edith Wiles, Agnes Wayman, Caswell, Bertha Warren, Isabel Webster, Madge Houghton, Vida Sutton, and Cornelia Smith.

SOCIAL FUNCTIONS DISCUSSED

Representatives of Local Organizations Met in President's Office Yesterday

The representatives of social organizations, heads of the various houses, organizations, etc., met yesterday afternoon in the president's office.

The questions considered pertained to "social" entertainments at the University. It was suggested that there were too many entertainments, and that possibly a repressive force should be exercised.

Social entertainments were defined as "the gatherings of men and women in residence at the University." It was considered advisable to thoroughly enforce the rule of allowing entertainments only on Friday, Saturday, and evenings before holidays. Entertainments shall not continue past one o'clock, and all entertainments shall be recorded with the Dean of Women before invitations are issued. It was also suggested that a calendar be made out for fixed dates, and that a current calendar be published in THE DAILY MAROON, in order to avoid clashes.

RUSH MEN TO GET TICKETS

President Harper Takes Up West Side Medics' Cause—Manager Butterworth Arranges Rebates

Hereafter the Rush medical students who are doing their work on the West Side will be able to purchase season tickets to the University football games on the same basis as University students. The Rush men doing work in the University are, of course, considered as University students.

President Harper made this arrangement with the athletic management today. The question was called to his attention by an editorial published yesterday in THE DAILY MAROON. It is to be distinctly understood that this arrangement extends to no other school affiliated with the University. The upper classes of Rush bear a peculiarly close relation to the University.

Manager Butterworth has worked out the details of the arrangements and will allow a proportionate rebate for all games already played. This applies only to West Side Rush people, and not to University students who have not already purchased tickets, because they have been given ample opportunities to make such a purchase.

The athletic management regrets that any feeling of unfairness in the matter of season tickets should have arisen, but at the same time disclaims any responsibility in the matter, as the athletic department is officially forbidden by the University authorities to use Rush men on the West Side on the athletic teams. From this they logically argued that Rush on the West Side bears no closer relationship to the University than do all the other affiliated institutions, and the offer was distinctly limited to University students.

In view of the express conditions regarding the tickets all students are urged to bring to the games some means of establishing their connection with the University, as otherwise their tickets may not be honored.

LAST SHINGLE PUT ON ROOF

Mandel Assembly Hall Now Enclosed—New Theater, Which Will be Completed April 1, to Have a Seating Capacity of 1,000

The elegant Mandel Assembly Hall is fast nearing completion. The roof was finished yesterday, and work is progressing rapidly on the interior decorations.

The entrance to the hall faces 57th st. The room itself is 65 feet wide by 122 feet long. The first floor has a seating capacity of 744, and the stage will seat 250 in addition. The balcony, with its twelve boxes, will accommodate 350 more. Fresh air is admitted through Plenum slots under the seats.

The interior decorations will be extremely beautiful, and will consist chiefly of ornamental plaster-work. The ceiling, with the exception of the foyer, which is to be a grained ceiling in plaster, will be of heavy wood beams and trusses.

There are a number of especially handsome windows to be put in, one of which was donated as a memorial window for the class of '02. The stage is well equipped with dressing and toilet-rooms. The time for the completion of the hall is April 1, 1903.

"Wanted—Seven Hundred Men to Defeat Chicago."—The Northwestern.

South Side Academy plays Joliet High School Saturday at Joliet. Derocks, who has been playing a star game at half-back, is not expected to play.

HARD GAME EXPECTED

Chicago Should Win Tomorrow, But Must Beware of Overconfidence

Catlin Not in Line-up—Wightman to Be Tried at End

We are going to beat Northwestern tomorrow, but this does not mean that we will not have to work. The result of the game has not yet been decided. Some people seem to think that we already have the championship won, that it is a foregone conclusion, that we will win our games from now on because we overwhelmed Purdue last Saturday. This is by no means the case. The championship is just barely in sight, a long ways off, and the road to it is very rough. Winning one game, by an unexpectedly large score, from an overestimated team gives us very little reason to be confident. After tomorrow's game we will have a better basis on which to judge our chances.

The hard-luck stories which constantly emanate from Northwestern have to be heavily discounted. They do this every year, apparently for the purpose of making their opponents over-confident. All during the past two weeks reports have come that the star men on the Methodist team had been crippled and would be unable to play against Chicago. All these men, with the exception of Van Ryper, are in the line-up. The Northwestern coaches were said to be ransacking the professional schools down town, even during the past week, in order to have eleven men to play against Chicago, thus trying to make people think that there would be a number of men in the line-up who had only been out two or three days. This will undoubtedly not be the case.

* * *

Northwestern will probably give us a very hard game, and we should not be surprised if they would score and hold us to a narrow margin. The main difficulty in estimating the result is that Northwestern has not yet been tested. The score will probably be very close, and yet there is a possibility that we may run up a fair amount of points.

Their material is excellent and they have had first-class coaching. Sanford says he has developed a good offense. Hollister also has been noted for his successful defense. Northwestern will bring a large delegation of rooters, so that they will not lack support. We must not be outdone in this matter.

* * *

Two sets of backs will be used in the game tomorrow. They are Sheldon, Perkins, and Schnur; and Jennison, Wightman, and Bezdek. Catlin will probably not play, as he is too valuable a man to risk a further injury to his game ankle. Wightman has been practicing at end for the last few days and will play that position for a part of the game. If he is shifted to full, Ivison will play that end. Terry may be given a chance at tackle and Buckley at guard.

* * *

The line-up will be as follows:

CHICAGO.	NORTHWESTERN.	
Speik	L. E.	Kafer
Koehler	L. T.	Scott
Ahlswede	L. G.	Baird
Ellsworth	Center	Bell
R. Maxwell	R. G.	Ward

Loyalty to the colors will be evinced even in the most material side of our University life. All the engines in the new lighting and heating-plant will be painted maroon.

The above minor in yesterday's "Major and Minor" column suggests a Maroon a very large major. For, Major by the evidences of certain "material" things around the University, the proper loyalty is not shown in a certain respect to the maroon colors.

In the University book-store pads of correspondence paper are sold, also a cheap line of envelopes, on which the words "University of Chicago" are done in blue, and their blue borders on purple. Now, why can't we have these words, our University name, printed in our color? Does maroon ink cost more than purple? And what if it does? The difference would be only slight.

We do not wish to have the color cheapened, but we do urge that wherever it is fitting everyone in the University use the maroon. Many letters are written on this blue-labeled U. of C. paper. This using of blue instead of maroon is a bad fault and should be corrected.

We are on the eve of an eventful football battle with Northwestern. At such an occasion nothing around the University should be seen which is not maroon.

To all the purple rooters for their trip home to Evanston we can well leave all the "blue."

The sings which have been inaugurated among our student-bodies this fall have been coupled with a considerable degree of success, and bid fair to serve as one of the bonds which make the ties of Alma Mater's sons and daughters grow ever stronger.

While in the days gone by we have not been backward in this delightful and stimulating method of recreation, we are constantly growing to realize what an important part of college life it may grow to be. The old college songs make up a large part of the lore of the older eastern colleges, and our Alma Mater was not slow in establishing such a treasure, even in its first few years of

existence: And now, in our advanced age of eleven years, we can look back with fond recollections as we recall the catchy songs and words, which our earlier musicians brought forth. Songs of the catchy, frivolous nature, such as the '97 Class Song, and John D. Rockefeller, always will have a stimulating effect on our feelings. Nothing does one's heart so much good as to go by a dormitory or fraternity house at night, and hear the loud and hearty voices of a jolly bunch of college men swinging through some familiar Varsity song.

In these song-ties with which we are bringing our sympathies and patriotism together modern collegians are not the first. We are told that in the old barbaric days of the Teutons their songs were bonds which gradually and sub-consciously bound the people closer together than ties of blood.

In the sings which are being held among the women and men we are establishing ties which will last till death, and keep the memories of our Alma Mater fresh in our hearts even after we have grown old and gray with the cares of the world which lie beyond our happy college days. In days to come, when we wander back and look over our glorious University, we will find sweet rest for all our heart's aches in the beautiful, soothing peals of "Our Alma Mater."

COMMUNICATIONS

To the Editor of *The Daily Maroon*:

If you had taken the trouble to inquire of the athletic department before publishing your article regarding season tickets to Rush students you would have avoided making the untrue statements you do regarding the management.

The question of the status of Rush students was submitted to Dean Judson and Secretary Goodspeed some weeks ago. They notified us that Rush was affiliated only. We have merely followed their ruling in selling tickets to members of the University, and have neither "challenged" nor "denied" their connection with the University.

It seems to me that common fairness should have prompted you to investigate this matter before going before the student-body with such a serious charge against us.

HAVE A BALL, NORTHWESTERN?

A dreadful, dire calamity
That may awake profanity
Is waiting for Northwestern out on the vacant lot.
They'll have to take their medicine
And they'll not want it soon again,
For the boys of old Chicago will dish it awful hot.

We understand that a couple of Russians visited the campus last Tuesday. If Prexy discovers anybody Russian at the University he will make some one feel terribly cut up about it.

There was an eclipse of the moon last night. This makes things look dark for Northwestern.

NEWS FROM THE UNIVERSITIES

About three hundred periodicals, exclusive of fraternity publications, are issued by American students.

Coach Clemens, of Stanford, is complaining that all the football material in college is not turning out for practice.

Nebraska is confident that she will defeat Minnesota Saturday. Neither team has been scored on this year, and a good game is expected by all.

Lawrence, full back for Michigan, has kicked forty-five out of forty-six attempted goals in games this year.

Only twenty out of seventy-five candidates for the dramatic club at

the University of Minnesota, were admitted to membership.

The Alpha Phi Chapter of the Phi Gamma Delta fraternity was reinstated at the University of Michigan last Friday.

The *Minnesota Daily* has the following to say in regard to the new physics building, which is now ready for occupancy:

"In many respects this is superior to any physics building in the West and even in the country. Great credit is due to the untiring efforts of Professor Jones, who planned many of the novel features to be found there. Among these is the sliding shutter which is used to cover the sky-light in the lecture-room. This shutter covers an area of 512 square feet and is manipulated by a rope from behind the instructor's table. It can be shut in six and opened in five seconds. The shutter is run on a number of ball-bearing wheels which are so adjusted that the immense shutter is opened and closed without the slightest effort. When the building is fully equipped it will be safe to say that it would be a credit to any university."

FRENCH CONVERSATION CLUB MEETS

Interesting Program Given in Beecher Hall Yesterday Afternoon—Next Meeting Thursday, November 6

The French Conversation Club of the Romance Department held its first meeting at Beecher Hall yesterday afternoon. A large number of both those who speak, and those who desire to speak French, met and signified their intention of joining the club. The efforts of both classes were crowned with success. The program of recitations and music seemed to be thoroughly understood and enjoyed.

Miss Wallace outlined the plans for the organization of the club; Mr. Williamson sang two French songs, and Mr. David gave a dramatic selection from Boursault.

After the program refreshments were served and conversation was encouraged.

Among those present were Mrs. H. M. Wilmarth, who has consented to act as patroness, Mrs. H. P. Judson, Mrs. W. G. Hale, Mr. Neff, M. Weisgerber, Mlle. Aschleman, M. Borgerhoff, M. Lampadius, Mr. Northrop, Mr. Babcock, Misses Spink, Prentiss, and Watson.

The next meeting will be held on Thursday, November 6. The program of the meeting will be published in THE DAILY MAROON.

MORE MATCHES IN TOURNEY

In the matches of the University tennis tournament played yesterday, Bingham defeated Russell 6-2, 6-3, and Procter defeated Hudson 6-1, 6-1. Bingham and Procter, together with the winners of the Morehead-Wickes match and the Lust-Bacon match, to be played today, are qualified for the semi-finals. Captain Bingham hopes to play off the semi-finals this afternoon so as to finish the tournament by tomorrow night.
